

SEWAGE TREATMENT PLANT OPERATOR (TYPE II B PLANT)

TOMPKINS COUNTY

Department Village of Dryden

Classification Competitive

Labor Grade

Approved 02/77

Revised 5/88; 08/06; 10/06

By HH; Commissioner of Personnel

**DISTINGUISHING FEATURES OF THE CLASS:**

A Sewage Treatment Plant Operator has responsibility for the operation of a sewage treatment plant. This is routine but important work involving responsibility for the efficient operation and maintenance of a Type II B Sewage Treatment Plant with facilities for chemical precipitation, sludge vacuum filtration, sludge incineration, separate sludge digestion, or any other biological oxidation process other than the activated sludge and the stabilization or oxidation process. The work is performed under the general supervision of an operator qualified to be in charge of the operation of the plant. Supervision may be exercised over subordinate employees in the performance of their assigned duties. The incumbent will perform all related duties as required.

**TYPICAL WORK ACTIVITIES:**

Starts and stops pumps, motors, air compressors, and related machinery and equipment;  
Makes minor repairs to machinery and equipment;  
Records readings from meters and gauges;  
Treats and disposes of sludge;  
Operates trickling filters;  
Adds chlorine to sewage;  
Takes samples of sewage for testing;  
Makes necessary tests for control of plant operation;  
Assists in the instruction of trainees;  
Supervises the work of laborers and other subordinate employees;  
Keeps a log of plant operations and related records;  
Performs custodial duties in connection with maintenance of buildings and Grounds;  
Prepares annual operating budget for the water and sewer funds;  
Maintains control over all expenses in the operating budget for the water and sewer funds;  
Prepares reports and/or applications for permits as requested or required by the village board and various state agencies such as the Department of Environmental Conservation, Department of Health, and Highway Department;  
Maintain records of departmental activities and prepares reports.
