****Note to contract users: This contract is for "Emergency" needs only and is NOT intended to replace the existing contract for Vehicle Maintenance.***

Contract Specifics:

- Pricing is for service only. Parts will be invoiced separately
- All services must be performed where the vehicle has been rendered inoperable unless safety conditions do not allow
- In the event the repair cannot be made where the vehicle is located at the time of breakdown the contractor must get approval from the County prior to arranging for the removal of the vehicle.
